Intro

Thank you for taking part in this survey today. This survey covers questions about you, what you think about popular issues and asks you questions about your health.

Please be honest in your responses, we are interested in your opinions.
1600 REALISE ASIA asthma patient survey questionnaire (MASTER) 16 Jan 2014

s2
Do you or does any member of your household work in any of these occupations?
*Please select all that apply*
  
  **PN: multi-code**
  
  - Advertising (1)
  - Market Research (2)
  - Marketing (3)
  - Journalism (4)
  - Public Relations (5)
  - Pharmaceutical industry (6)
  - None of the above (7) **PN: Anchor position. Mutually Exclusive Option**

STOP

Screen out if any of options 1 to 6 are selected –

*Thank you for agreeing to take part but unfortunately we are looking to interview people who work in other professions*

s3
When, if ever, was the last time that you took part in a market research survey about health issues?
*Please select one answer only*

  **PN: Single answer**
  
  - In the last week (1)
  - In the last month (2)
  - In the last 3 months (3)
  - In the last 6 months (4)
  - In the last year (5)
  - More than 1 year ago (6)
  - I have never taken part in a market research survey or survey about health issues before (7)

STOP

Screen out if any of options 1 to 3 are selected –

*Thank you for agreeing to take part but we are looking to speak to people who have not participated in market research within the last 3 months.*

s4

[Numeric, range 0 to 100]
How old were you at your last birthday?
*Please enter your age in years*

STOP

Screen out if age range is not between 18 and 50 –

*Thank you for your time, however you are not within the age range of people we are looking to interview.*

s5
Do you currently suffer from any of the following illnesses, which have been diagnosed by a doctor?
*Please select as many as apply*

  **PN: multi-code, rotate options 1-8**
  
  - Asthma (1)
  - Cancer (2)
A Patient Profiling Tool for Asthma Control

1600 REALISE ASIA asthma patient survey questionnaire (MASTER) 16 Jan 2014

☐ Chronic obstructive pulmonary disease (COPD) (3)
☐ Depression (4)
☐ Diabetes (5)
☐ Heart disease (6)
☐ High blood pressure/hypertension (7)
☐ Rheumatoid arthritis (8)
☐ None of the above (9) PN: Keep position. Mutually Exclusive Option

STOP

Screen out if code 1 NOT selected –
Screen out if Cancer (2) is selected together with 3 other codes (including Asthma)
Screen out if all 8 codes are selected
Thank you for agreeing to take part but we are looking to speak to people with asthma.

s6
Have you had more than two prescriptions from your doctor for your asthma in the past two years?
Please select one answer only
PN: single answer
☐ Yes (1)
☐ No (2)

Please note: By two prescriptions we mean either two different types of medication or a refilling of a prescription for the same medication

STOP

Screen out if code 1 NOT selected –
For those respondents with asthma (code 1 at S5) – ask all remaining questions in the screener before screening them out
Thank you for participating but unfortunately we are looking to speak with patients who have asthma and who have had two or more prescriptions in the last two years.

s7
And are you...
☒ Male (1)
☒ Female (2)

s8
Please indicate to which occupational group the Chief Income Earner in your household belongs, or which group fits best.

This could be you: the Chief Income Earner is the person in your household with the largest income. If the Chief Income Earner is retired and has an occupational pension please answer for their most recent occupation. If the Chief Income Earner is not in paid employment but has been out of work for less than 6 months, please answer for their most recent occupation.

PN: single answer
☒ Semi or unskilled manual work (e.g. Manual workers, all apprentices to be skilled trades, Caretaker, Park keeper, non-Heavy Goods Vehicle driver, shop assistant) (1)
☒ Skilled manual worker (e.g. Skilled Bricklayer, Carpenter, Plumber, Painter, Bus/ Ambulance Driver, Heavy Goods Vehicle driver, pub/bar worker, etc) (2)
☒ Supervisory or clerical/ junior managerial/ professional/ administrative (e.g. Office worker, Student Doctor, Foreman with 25+ employees, salesperson, etc) (3)
1600 REALISE ASIA asthma patient survey questionnaire (MASTER) 16 Jan 2014

☐ Intermediate managerial/ professional/ administrative (e.g. Newly qualified (under 3 years) doctor, Solicitor, Board director in a small organisation, middle manager in large organisation, principal officer in civil service/local government) (4)
☐ Higher managerial/ professional/ administrative (e.g. Established doctor, Solicitor, Board Director in a large organisation (200+ employees, top level civil servant/public service employee) (5)
☐ Student (6)
☐ Casual worker – not in permanent employment (7)
☐ Housewife/ Homemaker (8)
☐ Retired and living on state/government pension (9)
☐ Unemployed or not working due to long-term sickness (10)
☐ Not working due to disability (11)
☐ Full-time carer of other household member (12)
☐ Other (please write in) (13) [Other]

In some questions in this survey, we will ask about ‘Social Media’, by this we mean any interactive discussion you have online, for instance using Facebook, Twitter, forums or online blogs

s9
Which of the following most closely describes how frequently you use social media, such as Facebook, Twitter, Weibo [China only], forums or online blogs?

Please select one answer only

PN: single answer

☐ Several times a day (1)
☐ Every day (2)
☐ Several times a week (3)
☐ Once a week (4)
☐ Several times a month (5)
☐ Once a month or less (6)
☐ Never (7)

Screen out if code 7 selected

The survey will take around 20 minutes of your time.

INFORMED CONSENT:

The primary objective of this research is to understand the current practices and attitudes towards asthma management.

This will be an anonymous survey study where your answers will be non-attributable and will be consolidated with the opinions of other respondents partaking in this study. Please note that this survey is for market research purposes only, it is in no way intended to be promotional. The results of this study will be published in medical journals.

Any information you give will be treated in the strictest confidence and results will only be reported back on an aggregated basis.

Based on this, please indicate if you agree to continue with the market research interview.

PN: single answer

☐ Agree (1)
A Patient Profiling Tool for Asthma Control

1600 REALISE ASIA asthma patient survey questionnaire (MASTER) 16 Jan 2014

☐ Do not agree (2)
Screen out if code 2 selected

N1
Asthma sufferers have different ideas of what asthma control means to them. Please tell me what you think this phrase “well-controlled asthma” means to you?

*PN: open end, must include at least 3 words*

q3v2
How would you describe the state of your health compared to other people your age?
*Please select one answer only*
*PN: Single answer*

- I am in better health than other people my age (1)
- I have a similar level of health to other people my age (2)
- My health is worse than other people my age (3)
q4v1
[**Numeric, range 0 to 20**]
In an average week, how often do you exercise for at least 30 minutes?
*Please enter number of times below*

q4v2
Which of the following types of exercise do you do regularly?
*Please select all that apply*

- Swimming (1)
- Running (2)
- Cycling (3)
- Going to the gym (4)
- Walking (5)
- Playing sports such as football, tennis etc (6)
- Other types of activity (7)
  - None of these (8) *PN: Keep position. Mutually Exclusive Option*

q5
Which of the following most closely describes why you don’t do more physical activity?
*Please select one answer only*

- I don’t have time (1)
- I’m too tired (2)
- I don’t have the willpower / don’t want to (3)
- I don’t like to exercise (4)
- I avoid doing more exercise because of my asthma (5)
- I am afraid of having an asthma attack if I did more (6)
- I am too breathless to do more exercise (7)
- My doctor has advised me not to do more exercise than I am currently doing because of my asthma (8)
- I am doing enough exercise to stay healthy already, I don’t need to do more (9)
- None of these (10) *PN: Keep position.*
- Other (please specify) (11) [Other] *PN: Keep position.*

q6
Which of the following best describes you?
*Please select one answer only*

- Never smoked tobacco (1)
- Have tried tobacco in the past, but don’t currently smoke (2)
- Used to smoke tobacco, but don’t now (3)
- Still smoking (4)

*Go straight to q10 if option (1) is selected*
q7
**Do not ask if Q6 code 1 selected**

*Numeric, range 0 to 7 (inclusive) if Code 2 selected at Q6.*

How many days in an average week do / did you smoke?

*Please enter a number in the box below*

q8
**Do not ask if Q6 code 1 selected**

And on the days that you smoke (d) approximately how many cigarettes do / did you smoke per day?

*Please select one answer only*

**PN: Single answer**

- 1 – 5 (1)
- 6 – 10 (2)
- 11 – 15 (3)
- 16 – 20 (4)
- 21 – 30 (5)
- 31 – 40 (6)
- 41 – 50 (7)
- 51+ (8)
- Smoke another form of tobacco (not cigarettes) (9)

q9
**PN: Ask only if Code 4 is selected at Q6** How committed are you about quitting smoking in the next 6 months, on a scale of 1 to 4 where 1 is not at all committed to quitting and 4 is extremely committed?

**PN: Single answer**

<table>
<thead>
<tr>
<th>1 - Not at all committed (1)</th>
<th>2 (2)</th>
<th>3 (3)</th>
<th>4 - Extremely committed (4)</th>
</tr>
</thead>

m | m | m | m |

q10

*Numeric, range 0 to 100, allow to 1 decimal point. Answer not required*

Please indicate how many alcoholic drinks of these types you drink in an average week

**PN: For all markets except Philippines:**

Large bottle of beer, cider, ale or lager (1)

Small bottle of beer, cider, ale or lager (2)

Large glass of wine (3)

Small glass of wine (4)

Double measure of spirit with or without a mixer (5)

Single measure of spirit with or without a mixer (6)

Other specify (7)

☐ I only drink alcohol on special occasions, less than once a week (9) **PN: Keep position. Mutually Exclusive Option**

☐ I do not drink alcohol (99) **PN: Keep position. Mutually Exclusive Option**
PN: For Philippines only:

- Bottle of beer, cider, ale or lager (2)
- Large glass of wine (3)
- Small glass of wine (4)
- Double measure (two shots) of spirit* with or without a mixer (5)
- Single measure (one shot) of spirit* with or without a mixer (6)
- Other specify (7)

- I only drink alcohol on special occasions, less than once a week (9) **PN: Keep position. Mutually Exclusive Option**
- I do not drink alcohol (99) **PN: Keep position. Mutually Exclusive Option**

**PN: Philippines only:**
*Note: Spirits include brandy, gin, rum, tequila, vodka, scotch and whisky*

---

### q11

**Do not show if option 99 selected in Q10**

1600 REALISE ASIA asthma patient survey questionnaire (MASTER)

16 Jan 2014

Now we’d like to ask you some questions specifically about your asthma...

q12v1
[**Numeric, range 0 to 54. Answer not required**]
At what age was your asthma diagnosed by a doctor?

Enter age here (1) ____________________________

Must be less than or equal to 54

☐ Unsure / don’t know (99) **PN: Keep position. Mutually Exclusive Option**

q12v2
And do any of your friends or family also suffer from asthma?
Please select all that apply
**PN: multi-code, fix the order of items 1-5**
- My children (1)
- My parents (2)
- My siblings (3)
- Other family members (4)
- My friends (5)
- None of these (6) **PN: Keep position. Mutually Exclusive Option**

q13
How serious do you consider your asthma to be at the moment?
Please select one answer only
**PN: Single answer**
- Not at all serious (1)
- Not very serious (2)
- Fairly serious (3)
- Very serious (4)

q14
How often do you think about your asthma?
Please select one answer only
**PN: Single answer**
- All of the time (several times a day) (1)
- Some of the time (more than once a week) (2)
- Rarely (once a month) (3)
- Never (4)

q15
To what extent are you concerned about your asthma?
Please select one answer only
**PN: Single answer**
- Not at all concerned (1)
- Not very concerned (2)
- Fairly concerned (3)
- Very concerned (4)
q17
Which of the following most closely describes your level of knowledge about how to manage your asthma?
*Please select one answer only*

PN: Single answer
- ☐ I have an excellent level of knowledge about how to manage my asthma (1)
- ☐ I have a good knowledge about how to manage my asthma (2)
- ☐ I have a reasonable knowledge about how to manage my asthma (3)
- ☐ I have a little knowledge about how to manage my asthma (4)

q18
Which of the following most closely describes your level of confidence in managing your asthma?
*Please select one answer only*

PN: Single answer
- ☐ Very confident (1)
- ☐ Fairly confident (2)
- ☐ Not very confident (3)
- ☐ Not at all confident (4)

q19
Which asthma symptoms do you find affect you most?
*Please rank the symptoms in order of priority, with 1 having the most impact on your life and 5 the least*

PN: Single answer per row, must select one answer for every row
If code 6 selected for any option, ranking to only include as many options as are ranked

<table>
<thead>
<tr>
<th>Symptom</th>
<th>1 most impact (1)</th>
<th>2 (2)</th>

*Numeric, range 0-366 (inclusive)*

How many times in the past year have you needed a course of antibiotics because you experienced other health problems related to your asthma, e.g. chest infections / bronchitis / stubborn cough etc?

**q28b**
*Numeric, range 0-366 (inclusive)*

How many times have you been treated in Accident and Emergency or the hospital emergency department for your asthma in the past 12 months?
q28c
[Numeric, range 0-366 (inclusive)]
How many times have you been hospitalised and had to stay overnight in a hospital as a result of your asthma in the past 12 months?

q29
Skip if Q28c is 0
How, if at all, did the experience of being in hospital due to your asthma change your behaviour?
Please select as many as apply
PN: multi-code
- It made me manage my asthma more carefully for a short time, and then I returned to my usual habits (1)
- It made me change how I manage my asthma in the long term (2)
- It made me realise my asthma can be life threatening (3)
  - It made no difference at all (4) [PN: Keep position. Mutually Exclusive Option]
- Other (please specify) (5) [Other]

q30a
Which of the following healthcare professionals do you see about your asthma? Please record all the people you see about your asthma.
Please select as many as apply
PN: multi-code
- Family doctor / GP (1)
- Internal Medicine (IM) (7)
- Specialist respiratory doctor/consultant or chest physician (2)
- Other specialist (please specify) (3) [Other]
- Nurse (4)
- Pharmacist (5)
- Other non specialist (please specify) (6) [Other]
  - I do not see a healthcare professional about my asthma (8) [PN: Keep position. Mutually Exclusive Option]

q40
Thinking about your asthma nowadays...

How often, if at all, do you actively look for information about your asthma?

Please select one answer only

PN: Single answer
☑ Several times a day (1)
☑ Every day (2)
☑ 2 — 5 times a week (3)
☑ Once a week (4)
☑ One or two times a month (5)
☑ Every three months (6)
☑ Every six months (7)
☑ Every year (8)
☑ Less often than once a year (9)
☑ I don’t look for information (10)

q41
Skip if code 10 selected at q40

What information are you looking for about your asthma?

Please select all that apply

PN: multi-code
☑ General information about asthma (what it is etc.) (1)
☑ Information about what makes asthma worse or what can trigger attacks (2)
☑ Information about how to prevent asthma attacks (3)
☑ Information about what to do when you get in to trouble / have an asthma attack (4)
☑ Advice about medication including side effects (5)
☑ New developments in asthma — e.g. new medication (6)
☑ General discussion with other people with asthma (7)
☑ Other (please specify) (8), [Other]

q42i
Skip if code 10 selected at q40

If you were to look for information about asthma, which of the following would you use to help look for information on asthma?

Please select as many as apply

PN: multi-code
☑ Friends (1)
☑ Family (2)
☑ Family doctor/GP (3)
☑ Internal Medicine (IM) (18)
☑ Specialist respiratory doctor (4)
☑ Nurse (5)
☑ Pharmacist (6)
☑ A search engine (e.g. Google, Bing, Yahoo, Baidu [China only]; etc.) (7)
☑ Specific disease or health websites (8)
☑ Online health forums (9)
☑ Magazines, TV or radio (10)
☑ Facebook (11)
☑ Twitter (12)
1600 REALISE ASIA asthma patient survey questionnaire (MASTER) 16 Jan 2014

- You Tube (13)
- Weibo (19) [China only]
- Pharmaceutical companies via their web site (14)
- Other (please specify) (15) [Other]
  - None – I would not recommend any of these sources (17) PN: Keep position. Mutually Exclusive Option

**PN: Skip if Code 10 is selected at Q40**

q42ii

And which, of these, if any, would you recommend to your friends for asthma information?

*Please select as many as apply*

**PN: multi-code**

- Friends (1)
- Family (2)
- Family doctor/GP (3)
- Internal Medicine (IM) (18)
- Specialist respiratory doctor (4)
- Nurse (5)

q49
What, if anything, would you like to achieve in spite of your asthma?

Please select one answer only

PN: Single answer

☐ I would like to be able to carry out everyday activities without being worried my asthma is getting out of control (1)
☐ I would like to be more active (2)
☐ I would like to have fewer days off-sick as a result of my asthma (3)
1600 REALISE ASIA asthma patient survey questionnaire (MASTER)  16 Jan 2014

- I would like to continue my busy social life without having to worry about my asthma (4)
- See the doctor less often (5)
- Not have people worry about me (6)
- Other (please specify) [Other]
- Nothing at all – my asthma doesn’t prevent me from achieving what I want (8)

Finally, we have five quick questions to summarise your asthma...

**G1**
Which of the following most closely describes your daytime asthma symptoms?

**PN: Single answer**
- Experience symptoms twice a week or less (1)
- Experience symptoms more than twice a week (2)

**G2**
Which of the following most closely describes any limitations in activity you experience as a result of asthma?

**PN: Single answer**
- No limitations in activity due to asthma (1)
- Some limitations in activity due to asthma (2)

**G3**
Which of the following most closely describes your night time symptoms/night time awakenings as a result of asthma?

**PN: Single answer**
- No night time symptoms/awakenings (1)
- Some night time symptoms/awakenings (2)

**G4**
How often do you need to use your reliever/rescue medication per week?

**PN: Single answer, if Code 99 at Q35, G4 should only be Code 1**
- 2 times a week or less (1)
- 2 times a week (2)
- 2 to 10 times per week (3)
- More than 10 times per week (4)

**G5**
Which of these typically describes your lung function (PEF), if known?

**PN: Single answer**
- Normal (1)
- Less than 80% of personal best (2)
- Don’t know (3)

**Recontact**
Are you happy to be re-contacted for further research?

**Please select one answer only**

**PN: Single answer**
- Yes (1)
- No (2)
